BEYOND **EXPECTATIONS**

Russell & Lander

This area is a great place to go if you're looking to be at one with nature. If so, We Three Camp is a perfect place to go to get away comfortably. You'll be a short drive away from the Jamestown Audubon Society (JAS) if you want to walk some trails and see animals in their natural habitat.

Do you like to kayak? Conewango Kayak & Canoe Rental is a short drive south of the JAS. If you are a golfer, two of the area's finest golf courses are right in Russell. Blueberry Hill Golf Club and Cable Hollow Golf Course are both beautiful settings for an enjoyable day on the links.

The area offers a full-service campground called Red Oak Campground that has a pool, a small store, putt putt, and many events. Scandia Volunteer Fire Department holds their yearly Chainsaw Carving Competition there, where you can see artwork by talented artists. This event is always held Mother's Day Weekend.

While in the area, stop by the Russell Roller Rink. Their roller rink is often having events. Make sure you call to be sure they will be having open skate when you visit or see if they are having any events.

Sheffield & Clarendon

Hike, fish, or spend the day at Chapman State Park, just a 15 minute drive from Sheffield. Sheffield locals love to put on events; every year the Johnny Appleseed Festival and the Fireman's Festival are hosted in Sheffield. These can't-miss festivals are fun for the whole family!

People flock from far and wide to visit Sheffield during the Johnny Appleseed Festival. This event takes place every October. Enjoy food vendors, crafters, a cornhole tournament, lumberjacks, musical performances and more. The Sheffield Volunteer Fire Department hosts the Fireman's Festival annually. There's a carnival, a parade, and even fireworks!

The Sheffield area is rich in history. Between 1825 and 1865, pioneers carved a way of life out of the wilderness where the Seneca Nation of Indians once lived. In 1832 the first railroad connected the Allegheny and Clarion Rivers. The tannery industry revolutionized the lumber industry and made Sheffield the last great lumber town in Pennsylvania. With friendly locals and a deep historical past, Sheffield is a great place to visit and spend a day or two. These locals sure know how to have fun, so join them and make some memories!

Sugar Grove

Like most other areas in Warren County, Sugar Grove is rich in history. Founded in 1802 by the Revolutionary War Veterans, Sugar Grove was named for its beautiful maple forest covering the valley and surrounding hills. Frederick Douglas (a historically famous freedman abolitionist and writer) once made a visit to Sugar Grove during the Sugar Grove Anti-Slavery Convention in 1854. Many abolitionists from all over the country traveled to Sugar Grove with the goal of helping fugitive slaves to escape, as well as ending slavery altogether. To this day, underground railroad systems are still being discovered in Victorian houses in Sugar Grove.

Sugar Grove is also home to Stateline Speedway (residing half in Sugar Grove, PA and half in Busti, NY). Racing enthusiasts love to visit Stateline Speedway for weekly thrilling amateur racing competition. Be sure to wear protective eye gear if you visit this speedway, due to the dirt track and cars racing at high speeds.

Experience the hometown feel of Sugar Grove. Be sure to enjoy a nice meal at one of the local restaurants. Be aware of the large Amish community in the area and the slow trotting horse and buggies that click-clack through town on a steady basis.

Tidioute

Tidioute is every history buff's dream. Blending heritage and nature, Tidioute has a beautiful scenic overlook and Victorian architecture that seems as if it were frozen in time. Spend a day visiting all of the local shops and eateries offering local fare and a summertime ice cream stand.

Tidioute attracts not only history lovers from all over, but fishermen/women, as well. This is the perfect place to relax by the shore or on a dock and cast out some bait, waiting for a nibble on the other end. Tidioute also hosts the PA State Championship Fishing Tournament, where every September visitors come for the competition and spectacular fall foliage.

Make a day out of biking along this picturesque river, grab a pie from Moore's Garden Shoppe, and watch the sunset at the Tidioute Scenic Overlook. Tidioute is where local hospitality meets nature and history. Don't miss out on the beauty of this little town. Get out and enjoy the people, local business, and the scenery.

Warren

If you're in the city of Warren, there are plenty of local businesses and activities to keep you entertained. Take a walk over the Veteran's Memorial Bridge to get a great view of the beautiful Allegheny River. If you stand towards the end of the bridge that borders the city, you can watch Music in the Park at Soldiers and Sailors Park on Friday evenings in the summer. Everything is within walking distance in downtown Warren. Head to dinner, stop by Music in the Park and watch the sunset over the Allegheny River, and then cap off the night by visiting one of Warren's many local taverns.

The Warren County Farmers Market is a great place to go for local produce on Saturdays in summer and early fall. There are handcraft vendors of all all types, including candle makers and more. Struthers Library Theatre is a huge part of visiting Warren. Struthers is often putting on all types of shows: anything from musicals, to plays, singers, and bands!

Allegheny Outfitters (AO) is located in downtown Warren, next to Bent Run Brewing, Goat Fort Climbing, and walking distance from local restaurants such as Christie's Downtown Pub & Grille. You can launch your own canoe or kayak for a small fee or you can have them drive you up to the tail waters so you can canoe or kayak down the Allegheny River.

Warren Antiques

Youngsville & Pittsfield

Located in beautiful Brokenstraw Valley in the Northern Allegheny Plateau, Youngsville is 'the biggest little town on the map' and home to the Youngsville High School Eagles.

Brokenstraw Creek, which runs through the center of town, is one of the foremost fishing streams in Northwest Pennsylvania. The Old Fashioned Christmas takes place in December. On a warm summer day, be sure to take the family to swim at the Brokenstraw Valley Swimming Pool!

Enjoy wine tasting at Brokenstraw Valley Winery, bowling, local eateries, small-town stores, and our famous Warren County Fair.

The Warren County Fair is held in August every year at the Warren County Fairgrounds in Pittsfield. This is one of the area's biggest events and attracts people from all over the region. There are carnival rides, farm animals, horse pulls, stock car football, vendors, and much more. Plan to spend a full day there or you might not have enough time to explore everything. Be sure to bring an appetite for delicious fair food!

The Youngsville area is a charming place to spend time. Whether you spend the day exploring the town or exploring nature, you'll always remember your time spent there.

Allegheny National Forest

photo by Nicholas A. Tonelli

"The Land Of Many Uses"

The Allegheny National Forest (ANF) spans over 513,175 acres, serving as Pennsylvania's only national forest. The ANF spans the Allegheny Plateau, providing a perfect habitat for deer, bears, turkeys, foxes, and many more animals that reside here. Not only is the ANF every hunter's dream, it's also perfect for those looking for a relaxing stroll through the woods, a weekend camping getaway, biking, kayaking, and more!

There are scenic overlooks, waterfalls, and trails located throughout the ANF, making it arguably one of the best national forests in the United States.

The Allegheny National Forest makes Warren County a preferred destination for many outdoorsy people. If you get a chance, we strongly encourage you to visit here and see some of the destinations located in the Warren County area!

You can pick up trail maps at the Warren County Visitors Bureau or at the Allegheny National Forest Supervisor's Office. The Supervisor's Office is located at 4 Farm Colony Drive, Warren PA 16365.

Scenic Overlooks

Rimrock Overlook

A series of wooden steps lead to a viewing area atop a large rock face overlooking the Kinzua Dam arm of the Allegheny Reservoir. This area is spectacular for fall foliage viewing. Located 15 miles east of the city of Warren on Forest Road 454, 2 miles from the junction of State Route 59.

Jakes Rocks Overlook

Located atop a steep and high cliff, visitors delight in the view of the Allegheny Reservoir. Large rock formations are scattered liberally throughout the area. Biking trails are located throughout the area, so be sure to check both ways before crossing the trails.

Tidioute Overlook

This view will make you forget about all of your troubles. You'll find many visitors in the fall enjoying this view and observing the sea of trees below, sporting their annual colors of red, yellow and orange. When you arrive at the parking area, you will see two different overlooks. One offers a view of several islands on the Allegheny River, the River Valley Farms and forested Allegheny. Another view overlooks the town of Tidioute.

Kinzua Bridge

The Kinzua Viaduct was once the highest and longest railroad bridge in the world. It was built in 1882, by General Thomas Kane. In July 2003, a tornado tore through the forest moving straight for the viaduct. The tornado uprooted 11 of the bridges 20 towers, which were thrown onto the valley floor. Only 9 towers remained. The viaduct was reinvented into a pedestrian walkway in 2011 and is now the Kinzua Sky Walk.

Waterfalls

photo by Andy Kerstetter

Bent Run Waterfall

Bent Run Waterfall is located slightly east of the Kinzua Dam on Route 59. This hidden treasure is great for those who are looking for adventure. There are .4 miles of trails leading up to the top. It's recommended you visit this spot right after a heavy rain when the waterfall is at its prime.

Hector Falls

This waterfall is one of the most beautiful in the area. Hector Falls consists of a 22-foot-tall block of sandstone on which Hector Run falls

over, creating this eye-opening site. To get there, take Route 6 into Ludlow (17 miles east of Warren). Turn right onto South Hillside Road, turn left onto Water St., and then turn right onto Scenic Dr., cross the railroad tracks and follow FR 258. FR 258H will be 2 miles down and gated on your left. You may park there, but please do not block the gate. Follow the trail and keep left at the fork.

Logan Falls

Enjoy this 1.7 mile trail that runs along Tionesta Creek and eventually intersects with Logan Run. If you keep on the trail you will soon see Logan Falls, a natural waterfall. It's suggested you visit this waterfall anytime from April until June, but you are able to visit any time of year. To access the trail that leads to Logan Falls, take Route 6 from Warren into Sheffield and turn right in Barnes onto Route 666. Soon you will cross a red bridge onto Blue Jay Road and continue on that route for about 1.2 miles. Take a right turn onto Job Corps Road. After 5.2 miles you will reach an intersection of five roads. Turn right on FR 180 and continue for 2.5 miles until you see a grassy pull off on the right. There will not be a trail sign, but it will be clear where the trail starts.

Outdoor Activities

Hiking

Get outside and enjoy the beauty and serenity of our forests. Many trails have been created so hiking enthusiasts and walkers can find a place to relax. Warren County has trails that range in difficulty. It's up to you to find a trail that you think will work best with your hiking abilities. Bring water to stay hydrated.

Make a day out of visiting Rimrock and Kinzua Beach! You can walk to the overlook from the parking area to admire the view of the Allegheny Reservoir and then hike down to Kinzua Beach to take a swim. The beach is a great place to relax. There are charcoal grills at both Rimrock and Kinzua Beach if you need them.

If you're looking for more of an adventure, you can spend a couple days backpacking the North Country National Scenic Trail. This trail is more than 4,600 miles long and spans from Crown Point, NY to Lake Sakakawea, ND. There are small resting areas along the sides of the trail if you don't bring a tent. Be sure to leave prepared and either keep your food away from your camping

area overnight or put your food in a bear bag.

No matter which trail(s) you choose to take, enjoy every second of your hike. Explore new areas and see nature in action. If you're quiet, you may just come upon some deer, turkeys, bears, or other animals. As tempting as it may be, don't feed the animals.

Outdoor Activities

Off-Roading

Off-roading is one of the major attractions Warren County has to offer. If you're looking for more of a thrill, we suggest riding an ATV through one of our many trails in the Warren County area. Marienville and Bradford, in nearby McKean County, also have some of the longest ATV and snowmobile trails in the area.

Mountain bikers of all skill levels have been drawn to Warren over the past few years since the first sections of the Trails at Jakes Rocks have been completed. 30+ miles of this trail have been constructed. These trails range from easy to hard. The paths can be narrow at times, so prepare for bikers riding from the opposite direction. These trails aren't called Trails at Jakes Rocks for nothing. There are rocks and boulders everywhere, making it a beautiful site. Just be sure to wear your protective gear and, most importantly, a helmet.

Off-roading is an all-year-round event here in Warren County. We've been known to get quite a bit of snow some winters, which creates a perfect environment for snowmobiling. The Allegheny Snowmobile Loop is nearby, located in Marienville and Bradford. This snowmobile trail consists of more than 600 miles.

If you are riding a motorized vehicle, be sure that it is registered in accordance with Pennsylvania State law, and WEAR A HELMET. Have fun, but be safe.

Horses are permitted on ATV or snowmobile trails, and in most cases may ride Forest Roads.

Hiking Trails

Beaver Meadows Hiking Trail System

Length: 6 miles
Location: Beaver Meadows Recreation Area on Forest Road 282.

This system consists of interconnecting trails winding around Beaver Meadows Lake.

Difficulty

Hearts Content Scenic Area

Length: 1.2 miles

Difficulty

Timberline ATV Trail

Length: 38.6 miles
Location: Trailhead parking lot located on Forest Road 232, one mile south of SR 948 and SR 66 intersection.

This trail is the easiest and ties into the Marienville Trail. During the winter this trail is not groomed, but provides snowmobile access to the Allegheny Snowmobile Loop System.

Difficulty

Marienville ATV Trail

Length: 14.2 miles
Location: Located along State Route 66 about fifteen miles southwest of Kane, PA and eleven miles northeast of Marienville, PA.

If you plan on choosing this trail, prepare to ride through scenic areas consisting of old roads and hills of the Allegheny National Forest.

Difficulty

Penoke Bike Trail

Length: 23.1 miles
Location: This trailhead is located on Forest Service Road 521.

This trail is a dirt bike trail for motorized off-highway motorcycles, and small (less than 50") ATVs. Beware of the rocky and steep terrain. This trail is not recommended to riders of novice standing.

Difficulty

Trails at Jakes Rocks

Length: 30+ miles
Location: Follow signage on Longhouse Scenic Drive in Kinzua.

This system of trails is primarily easy but has different loops for all levels of bikers. This trail was designed and built by professionals and offers the best to all who ride it.

Difficulty

Allegheny Snowmobile Loop

Length: 600+ miles

This trail is relatively easy, but trail conditions vary depending on the weather. Have a blast!

Outdoor Activities

Hunting

Warren County is known around Pennsylvania for our abundance of wildlife and state game lands. With the Allegheny National Forest spread all throughout Warren and neighboring counties, it allows thousands of acres for hunters to enjoy and search for game. Hunt for whitetail deer, black bears, turkeys, coyotes and more!

If you choose to hunt on public game land in the Allegheny National Forest, be sure to be extra cautious. Check before going out to see what the regulations are on wearing bright orange.

You may not discharge a firearm in or within 150 yards of a developed recreation area, building, or occupied area. No discharging a firearm across or on a forest development road, body of water contiguous to a road or where any person or property is exposed to injury or damage. The only exception to this rule is when lawfully engaged in waterfowl hunting you may shoot over a body of water contiguous to a road. Be sure to follow all Pennsylvania hunting rules, regulations, laws and guidelines while enjoying your hunting experience with us.

Prepare for the best of hunters to be challenged here. Whether you spend an entire day in the woods with nothing to show, or you come back with a big trophy buck, you'll always remember the beauty and calmness the forests in Warren County have to offer.

Outdoor Activities

Fishing

Home to two Pennsylvania River of the Year award winners (Allegheny River 2017 and Conewango Creek 2015), Warren County is the ideal place for fishing enthusiasts. Our stocked rivers and streams are home to an ample supply of a variety of fish. We are well known for our small native brook trout, as well as huge musky, pike, walleye, and perch.

The Kinzua Dam area is the perfect place to fish if you're looking for some bigger fish. Be sure to bring a net that can be lowered a far distance, because in some areas it's quite a ways down to the water from the highest point of the fishing area. A sinker is also recommended for this area due to the high winds from the water output. If you're lucky, you may even catch a paddlefish, which is a prehistoric fish related to the sturgeon with an elongated snout.

If you're not looking to fish a river or stream, Warren County is home to the Allegheny Reservoir. The entire reservoir is 27 miles long (provided by fs.usda.gov). You can boat all throughout the reservoir or fish and relax!

If you choose to boat, be sure to wear a life jacket. You can pick up a fishing license and/or local maps and stocking schedules at Walmart, Dunhams, PennWild Outdoors or tackle and bait shops. You can also find the Allegheny Wild & Scenic River map and guide at the Warren County Visitors Bureau.

PENNSYLVANIA STATE CHAMPIONSHIP FISHING TOURNAMENT

Outdoor Activities

Camping

With the Allegheny National Forest providing an array of land for camping, Warren County is the perfect place to plan your getaway. Camp in a primitive setting anywhere throughout the ANF. The ANF prefers you set up camp in an area where there is already a fire pit if you plan on having a fire. If you stay near the Allegheny Reservoir, there's hiking/biking trails, picnic areas, and the reservoir to swim and boat! Some restrictions apply to camping in the ANF, so visit fs.usda.gov/allegheny/recreation/camping-cabins if you have any questions.

If you're looking for more of a modern camping stay, there are plenty of developed campsites throughout Warren County. Chapman State Park is a great place to stay if you want a cabin or a camper/motor-home hookup. There are always activities going on at the park, as well as a beautiful lake where you can swim, fish, and kayak. There are kayak and paddle boat rentals available. You can also bring your bike and ride some of the biking trails or take a relaxing stroll through the woods.

Dewdrop and Kiasutha are perfect camping destinations if you want to enjoy lakefront camping with boat launches. It's easy to hop right onto your boat to cruise the reservoir for the day and come back to your campsite to roast s'mores and enjoy the sunset over the reservoir.

The only campground that is available for horses is Kelly Pines.

Areas of Operation:

Willow Bay, Buckaloons, Dew Drop, Hearts Content, Kiasutha, Loleta, Minister Creek, Red Bridge, Tracy Ridge, Morrison, Pine Grove, Handsome Lake, Hopewell, Hooks Brook, Elijah Run, Webbs Ferry, Roper Hollow, Farnsworth Cabin, Kelly Pines

We have a camping experience for everyone!

Outdoor Activities

Boating

Warren County is well known for the Allegheny Reservoir, the Allegheny River, and Conewango Creek. Whether you choose to explore our waterways or lazily drift around the reservoir, Warren County is the perfect place to start your outdoor adventures.

Boating safety is very important to know and understand before you head out on the water. In some areas it is not required that you wear a life jacket, but it is highly suggested in all areas.

The reservoir is a great place to swim in the summer, especially if you are boating. You can swim in the rivers as well, but they tend to be much colder than the reservoir, and the current can be very fast depending on the outflow from the Kinzua Dam. Have fun but be safe.

There are many places you can find boat rentals. Allegheny Outfitters is a great place to rent canoes and kayaks. They usually drop guests off at the tail waters (where the output from the dam is), and have them float downstream right back to their store located off the river in downtown Warren.

If you choose to float down the rivers, be sure to stop on one of the many islands for a quick snack or lunch. It's also suggested you bring some kind of waterproof camera to capture some pictures of our wildlife. Eagles are very prevalent on the Allegheny River. If you use your phone, keep it in an airtight container just in case it goes overboard.

Boating Rentals & Marinas

Allegheny Outfitters

We're a family owned and operated business with a canoe and kayak livery and an outdoors store along the Allegheny River in downtown Warren. We absolutely LOVE getting outside in our backyard, and are excited to help YOU get out there, too.

Rentals run 7 days a week from June through Labor Day weekend, then it's reservation-only through October, weather pending. Monday - Friday first shuttle departs at 10am, last one goes out at 2pm, on the hour. Saturday - Sunday, first shuttle departs at 9am, last shuttle leaves at 5pm. We cover the river from Kinzua Dam to Emlenton (110 miles), offering everything from a short 2-3 hour paddle to a 10-day adventure. www.alleghenyoutfitters.com, info@alleghenyoutfitters.com.

Allegheny Wilderness Outfitters, Canoe & Kayak Rentals

Travel to Forest County and float the beautiful and scenic Allegheny River as it slowly makes its way through the Allegheny National Forest.

Eagles, deer, bear, turkey, beaver, and otter are just a few species of wildlife you might see on your trip.

Allegheny Wilderness Outfitters Canoe and Kayak Rentals is located inside:

Hickory Creek Archery and Sporting Goods
21016 Route 62
East Hickory, PA 16321

A Full Service Hunting/Fishing outfitter with Live Bait, Fishing Lures, St. Croix Rods, various camping supplies, and more!

Conewango Kayak Canoe Rental, LLC

We are a family run business and are happy to help you plan a safe, fun, and memorable trip from start to finish. We take stewardship of the Conewango very seriously and ask that you please do the same. Free trash bags are available. At the end of your trip, we will refund a portion of your trip cost for each full bag of litter brought back to the livery.

The new canoes are like our other canoes with built-in drink holders, molded seats and adjustable back rest. Our canoes will seat 3 adults.

We're located at:

9582 Market St Ext (Rt 62)
Russell, PA 16345

Kinzua Wolf Run Marina

Kinzua Wolf Run Marina is a 250 slip Marina. It lies in the heart of the Allegheny National Forest on the Allegheny Reservoir.

You can rent canoes, kayaks, motor boats, pontoon boats, or stop and get a bite to eat at Docksiders Restaurant. What a view!

The reservoir is 27 miles long with 90 miles of shoreline. The fishing includes small mouth bass, muskellunge, walleye, and Northern Pike. Besides the abundant wildlife, there are several hiking areas near the marina and a nearby grassy beach for swimming and picnicking. After an exhilarating day of boating and hiking, the waterfront cafe offers a relaxing spot to dine. Come and feed our huge carp, Carla, and her friends. Discover the true adventure of carp feeding! Other activities include camping by boat or walk-in access only, cycling, shopping, golf, and solitude.

Located at: 250 Kinzua Wolf Run Marina,
Clarendon, PA 16313

Outback Adventures

Outback Adventures has been renting canoes since 1993. We are one of the largest canoe and kayak renters on the Allegheny River,

if not the largest. We now have 80 Old Town Discovery Canoes in our livery. We have also been renting kayaks for 19 years and have over 60 kayaks in our stable, giving us the largest number and selection in the area.

We are located at the southern edge of the Allegheny National Forest, which gives you full access to the Allegheny National Forest River Wilderness Canoe Trail. This is important when selecting a livery because there are no pickups: you end up back at your car, whether taking a 2-hour or a 3-day trip (no waiting for someone to pick you up).

Located at: 247 Outback Adventures Road,
Tionesta, PA 16353

Tionesta Marina

Located in the beautiful Western PA town of Tionesta, Tionesta Marina is right on scenic Tionesta Lake, just a couple minutes from downtown. We are primarily an "order on demand" company, so be sure to call before you make the trip to ensure we have the boat you want on site. We offer rentals on pleasure boats, fishing boats, and family boats.

We're your one-stop shop for new or used boats, trailers and engines in Western PA. Sell or trade your old boat or motor. We also specialize preparing and winterizing your boat. We can order any accessory you need for the upcoming boating and fishing season. Contact us today and we'll help you with all your boating needs. Stop in any time!

Chapman State Park

CAMPING

Chapman State Park offers group camping, 3 cottages, 2 yurts, and more than 80 campsites. The campground has modern restrooms, showers and permits pets at designated campsites. The camping cottages sleep five people and have electric heat, a picnic table, fire ring and porch. Cottages 1 and 3 are ADA accessible and cottage 1 allows up to two dogs. They will love the park.

Up to six people can sleep in the yurts in bunk beds and a double bed. Yurt 1 is ADA accessible. Yurts have a stove top, microwave oven, refrigerator, fire ring, and electric heat. For group camping, eligible groups may rent one or both of the specialized areas, each fitting 40 campers. Both areas have fire rings, picnic tables, and restrooms nearby.

CHAPMAN LAKE

The 68 acres of Chapman Lake offer swimming, fishing, and boating. A sand beach opens in late May through mid-September from 8am until

sunset. Swim at your own risk and please follow the posted rules.

By the sand beach is the main picnic area that overlooks the lake. You may reserve five pavilions up to 11 months in advance for a fee, but the unreserved tables are first-come, first-serve basis. On the western side of Chapman Lake there is a boat launch and 45 seasonal mooring spaces. Registered campers' mooring spaces are on the eastern shoreline. Breathtaking sunsets are free.

Photo by Bill Vargo

HUNTING

Over 450 acres are available during established seasons for training of dogs, hunting and trapping. Dog training is only permitted on the day following Labor Day through March 31 in designated hunting areas. Allegheny National Forest and State Game Land 29 adjacent to the park are open for hunting in designated areas. Hunting woodchucks, also known as groundhogs, is prohibited.

WINTER ACTIVITIES

With over 300 miles of snowmobile trails accessible from the park, a seven-acre sledding hill, ice fishing, 4.4 miles of ski trails, and an ice-skating pond, there are plenty of activities during the winter. For snowmobiling, there is ample trailer parking, heated restrooms, and a warming hut. The snowmobile trails open at the end of deer season in December through March 31 and many trails are groomed depending on conditions. You must have your registration and stay on designated trails.

Go sledding on the western side of the park that is lit nightly when weather conditions permit. Ice fishing for perch and trout is popular on Chapman Lake, but the ice thickness is not monitored. Numerous ski trails connect the national forest and state game land. Across from the park office is an ice-skating rink that is lit nightly when conditions permit. Chapman State Park hosts the annual Winterfest and sled dog races in February.

Outdoor Activities

Kinzua Dam

Located on Route 59 just east of Warren, this multi-purpose project was completed in 1965 by the U.S. Army Corps of Engineers. Visit this engineering marvel firsthand from a portion of the roadway or adjacent overlooks. The spacious grounds at Kinzua Dam offer visitors many opportunities. View wildlife from a nature trail or viewing platform. There are several picnic tables, benches, grills, and a playground to utilize also.

The Kinzua Dam created the Allegheny Reservoir which is 12,000 acres, 9,000 of which are in Warren County. This sparkling reservoir surrounded by national forest is a perfect setting for your next vacation. During spring, summer, and autumn, you'll see boats of all kinds, shapes, and sizes on the water.

There is camping all around the reservoir, fostering a joyful environment that friends and families alike can enjoy. A marina, located only 3 miles away, and several other launch areas managed by the U.S. Forest Service, ensure easy access for boaters. Recreational facilities are also provided for swimming, camping, hiking, and sightseeing.

A winter forest scene with a winding road. The trees are covered in snow, and a bright sunburst effect is visible in the upper center. The text "Visit Warren County" is overlaid in a white, hand-drawn style font.

Visit Warren County

Simple.

Pure.

Real.
